

Fabrications Retreat

3 Day Fabric/ Paper Collage workshop, Fran Skiles

Supply fee per student: \$20.00

Fee includes: silk, Japanese paper, ink, Golden pigments, acrylic ink, watercolor crayons, stamping materials and gel medium.

No sewing machine is required for the 3 day class

Supplies to bring:

1 ½ yard, washed white cotton fabric, (medium weight, I prefer duck)

1 quart white gesso

32 oz gloss medium (matte is ok, but gloss is better)

1 yard "stitch and tear" Pellon

embroidery thread, thick and thin, neutral and colors

pins, needles, scissors, masking tape

variety of sponge brushes

spray bottle

water container for brushes

rags or paper towels

apron, latex gloves (if you use them in painting)

Photo copies: These black & white, and color, photo copies can be any images you would like to work with. This might include personal photography, magazine, and newspaper images; any print material especially including text, (which can add interest to a collage). Print your images, black & white and color, on copy paper. It would be helpful to have high contrast images, image size 11x17, and multiples. In other words more than you think you'll need.
